PRODUCT DESCRIPTION

Slim & Sassy, our proprietary metabolic blend, combines powerful essential oils known for their detoxifying qualities to promote weight loss in a natural and healthy way. The flavorful blend of Slim & Sassy helps manage hunger throughout the day while boosting metabolism and promoting a positive mood. Slim & Sassy contains Grapefruit and Lemon, both of which have a high limonene content to help purify and cleanse the body while Peppermint, Ginger, and Cinnamon provide a stimulating and positive effect on the endocrine system to assist with weight loss. When taken with a healthy eating and exercise plan, Slim & Sassy Metabolic Blend can help you reach your weight loss goal and maintain a healthy weight for life.

USES

- Add to water or tea and drink before working out for a revitalizing energy boost.
- Consume before meals to help control appetite and overeating.
- Apply to the back of thighs, abdomen, and other problem areas to reduce the appearance of cellulite.
- Add a few drops to Slim & Sassy TrimShake or V Shake.

DIRECTIONS FOR USE

Diffusion: Use three to four drops in the diffuser of your choice.

Internal use: Dilute four drops in 4 fl. oz. of liquid.

Topical use: Apply one to two drops to desired area. Dilute with dōTERRA Fractionated Coconut Oil to minimize any skin sensitivity. See additional precautions below.

CAUTIONS

Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas. Avoid sunlight or UV rays for up to 12 hours after applying product.
